Summer 2019

HOW YOU CAN HELP:

- > Donate money to help cover pet supplies, veterinary expenses and other costs directly related to saving animals.
- > Become a SAFE foster parent. There is no long-term commitment, and every animal fostered is a LIFE SAVED!
- > Donate gently used furniture, clothing, bedding, jewelry, artwork and collectibles to SAFE's Resale Store.
- > Volunteer to spend time walking dogs or snuggling cats

It's Summer, and SAFE is Feeling the Heat!

Summer is the hardest time of year at SAFE. Adoptions and donations are always at their lowest, and costs are at their highest. We have higher electric bills due to the increase in air conditioning use, and water bills are higher because we need doggie pools and sprinklers in the dog play area to keep our canine buddies cool. The vast majority of funds are spent on veterinary care, but these additional costs place a burden on SAFE at a time when income is at its lowest.

SAFE's funds are critically low at this time. We need your donations! We have fundraisers as often as possible, but it's not enough. Please donate and help us continue our mission to save animals who so desperately need us!

Together We Make a Difference

This newsletter is dedicated to all those who help make a difference in the lives of SAFE's rescued pets. It is only together that we have been able to save the lives of so many. The hard-working staff provide clean, safe spaces, fresh food and water, medical care, and lots of love for all the pets! SAFE has many dedicated volunteers who help with walking dogs, cuddling cats, playing, fostering, transporting, and giving lots of attention to our pets to let them know they are safe and loved. Donors and volunteers have also helped SAFE provide veterinary care and maintain its buildings and properties. Enjoy all the pictures of SAFE pets along with just a few of the many special people like you who help SAFE every day.

This year SAFE lost a very special volunteer. Hank Mangum volunteered with SAFE for ten years, fostering, transporting, fixing up the facilities—anything SAFE needed, Hank would be there. He and his wife Zettie could always be counted on to transport or help in any way needed. Hank was a lover of dachshunds and a one-of-a-kind gentle soul. Hank passed away in January and is missed by everyone at SAFE.

SAFE Pet Rescue – Saving Animals From Euthanasia

There's a lot of love at SAFE!

The special care given to SAFE pets would not be possible without all the dedicated staff, volunteers and donors! Thank you to everyone who helps out in any way possible. Every dollar donated and every minute volunteered makes a difference to the animals!
